

PRESS RELEASE - 1 MARCH 2010 - FastMarkets Ltd announces the appointment of Bernard Hunter as Sales Consultant to North & Central America

FastMarkets Ltd, online providers of fast authoritative non-ferrous metals focused news, analysis and data via their website BaseMetals.com are delighted to welcome Bernard Hunter to the FastMarket's team as a sales consultant to the North and Central American markets. Bernard brings over twenty years of broad based metals experience to the role; developed across the key producing regions of Canada, The United States, Australasia and South Africa.

"I am excited about the opportunity to join FastMarkets in North America. The expertise and calibre of FastMarket's global team has redefined news and information delivery in this important sector" said Bernard Hunter.

Dominic Hall, CEO of FastMarkets said:

"I am delighted to welcome Bernard to FastMarkets. His experience in the metal markets both globally and in particular North and Central America, will aide us to provide quality metals news, research and data into these important markets. Bernard's depth and breadth of knowledge will essential as www.basemetals.com and www.thebulliondesk.com further increase their market share".

FastMarkets Ltd - Focused Metals Knowledge Online

FastMarkets Ltd was founded in 1999 by Ross Norman and Dominic Hall; both ex-traders from the London Bullion Market. Their aim was to build a company that provided information products for the metals markets, backed by deep knowledge, experience and passion.

Today, FastMarkets has established itself as an authoritative provider of fast high quality news and research on the metals markets. This has been achieved thanks to the inspirational advisory board, led by the Chairman John Parcell and the enthusiastic and highly skilled staff.

FastMarkets is proud of its world class editorial team. Led by Martin Hayes, one of the best-known metals reporters in the business, we have a dynamic and experienced team of journalists who are passionate about the markets they report on. The same enthusiasm extends to our Analysts, led by William Adams, who live and breathe the metals markets.
