

Fastmarkets Dashboard/Excel

Add-in

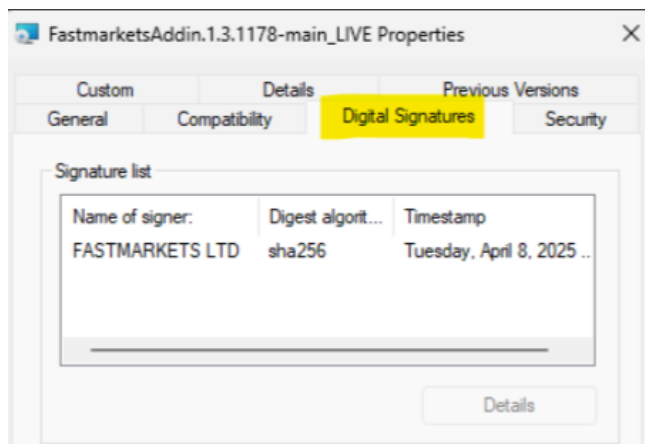

Release notes

8th Apr 2025

What's New?

New Features

We've updated the Excel Add-in with a new self-signed certificate. This change helps improve security and ensure continued functionality. Using a current self-signed certificate will improve trust, reduce potential security warnings, and ensure smoother operations without interruptions.

Known issues

There are no known issues with this release.

Breaking Changes

There are no breaking changes with this release.
