## Who we serve

Our clients are leaders in the grains market who rely on accurate data to succeed. Fastmarkets is built for:

### Producers and growers:

Integrated conglomerates, plantation owners and smallholders

### Processors and end-users:

Oleochemicals, food and beverage, and biofuels

### Trading houses and brokerages:

Global commodity merchants

### Financial institutions and risk managers:

Exchanges and investment Funds

# Your data your way

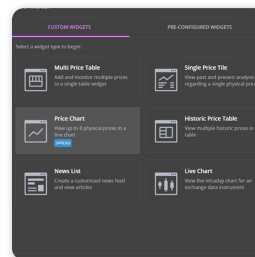

The Fastmarkets dashboard is an intuitive and powerful platform accessible through desktop, browser or mobile app. Build your own **workspace** or duplicate an existing **market** created by Fastmarkets experts, including former traders, buyers and analysts.

## News stories

Breaking news and industry analysis at a glance.

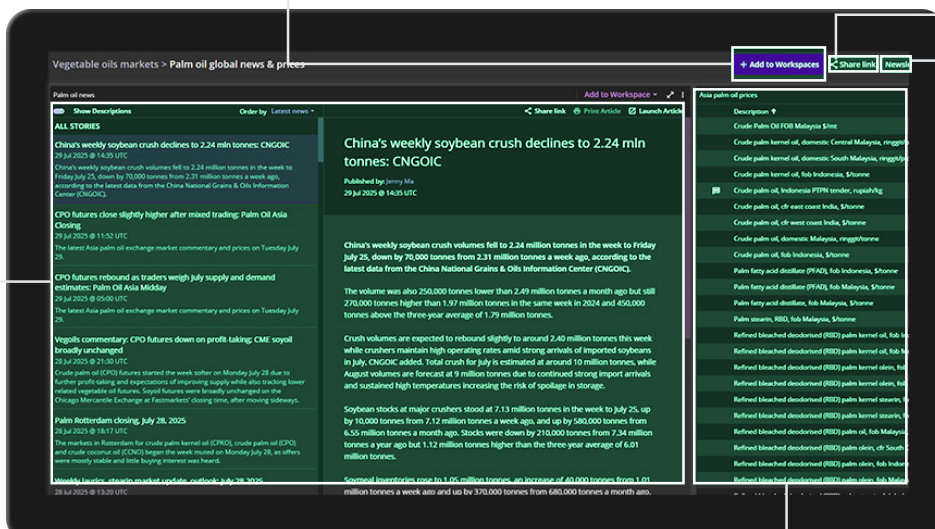

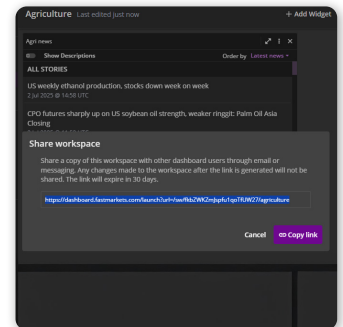

## Add widgets or markets to your workspace

Move curated market views to your workspace or deploy widgets (custom or pre-built) with step-by-step tooltips.

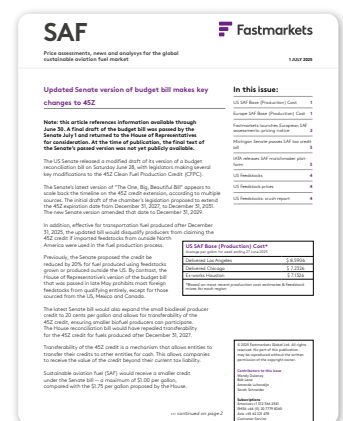

## Share

Distribute your workspace or market to ensure your team is operating from a shared view.

## Newsletter

Opt-in to receive market newsletters on a daily or weekly basis. Browse and download past issues.

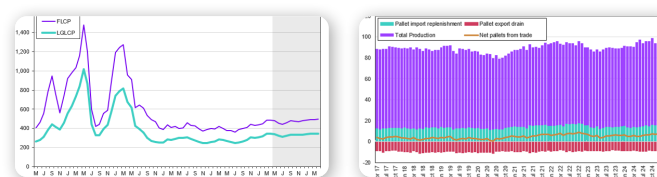

## Price charts

Configure the price fields, fill settings, display options and more. Then export the chart or download the underlying data.

## Market data and insights

Choose your personalized price assessments and key market data added every month.

The Fastmarkets platform is available as a desktop application or web browser, but you can also pull our data straight into your own business processes with the Fastmarkets Excel add-in or API.
